## Melanie Gulley

JAN 11, 1954 - JUN 28, 2012

**M**elanie Fox Gulley, age 58, went to be with the Lord Thursday, June 28, 2012. A Celebration of Life Service will be held at 1:00pm on Monday, July 2, at Mansfield Funeral Home with John W. Salzman, Jr. officiating.

Melanie was born on January 11, 1954 in Dallas, Texas to Betty and Weldon Fox. She was raised in a loving Christian home with her older sister, Jalayne. She graduated from Lake Highlands High School in 1972. She was married to Doug Gulley at the time of her death. She affectionately called him "the love of her life". Melanie had 3 children-Heather, Tony and Hayley and three grandchildren James, Mason and Noah who were the recipients of her generous heart, laughter and smiles. She loved to take her children when they were little to deliver Meals on Wheels. Because she loved the Lord with all her heart, she shared her servant's heart with the Grand Prairie Crisis Pregnancy Center, Summit Senior Citizens Center and area churches. She was very active in the lives of all of her family, particularly her children and grandchildren. At family events, you could count on hearing Melanie's laughter ringing through the house. One of her favorite things to do with her grandchildren was to take them to Joe Pool Lake to feed the fish. Melanie loved the color blue and the ocean. She often wondered how anyone could see the majesty, power and beauty of the sea and not believe in God. Her love for her Lord and for her family was evident in everything she did. Her desire was that everyone she met would see Jesus in her life. She was truly the hands and feet of Jesus. There are many words that describe Melanie: kind, gregarious, loving, generous, and unselfish to name a few. Numerous lives have been positively impacted by Melanie. She was a giving, loving, daughter, sister, wife, mother, grandmother, aunt and friend, always willing to give of her time and herself to others. It was easy to see how much she loved her Heavenly Father by the way she chose to live her life each day.

My memories go way back to when Melanie & I were in Sunbeams together & the years that follow up until our high school graduation in 1972. We share the same birth month & year, 7 days apart. I do remember Melanie as being fun & a pleasure to be around. I ran into her a few years ago in the Southwest part of Dallas where we both lived. She seemed to be doing great and was very happy, having 3 children with their families to share life with. She is now in heaven with the unconditional love of Jesus wrapping her up in His presence. His gain, our temporary goodbye. Praise God we will see her again soon. Many prayers go out to the Fox family as they grasp the reality of her departure. Weldon & Betty, Jakyne & all her family members, we know that you do and will have only the fondest memories of her & this will bring you solice & joy in the days ahead. May you feel the unconditional love of our Heavenly Father in a special way during this time as you each grieve in your own ways the days and weeks ahead. God bless you, Janice Hassell Blake
