Chad I didn't know you well but I do know you were loved as only a child can be. Be assured that I will hold your mother in my heart as long as I live. You are now in the lap of God and you will forever be at peace and safe there.

In the short time I knew Chad he was an inspiration to me, he seemed to never let anything get him down and if he thought that you were having a rough time he'd make me laugh till I'd cried, He did love all kinds of music and could really do some country dancing. I really miss Chad his tenderhearted self and the concern he had for the people around him.

Our prayers go out to the family and especially Karen. While I did not know Chad personally I know Karen and if heart was any where as dear as his mom's heart he is spectacular in his own right. Sing in the heavens and dance with the Angels. God's arms are open so that all who knew you could rejoice in the thought of being a part of your life.
