My life was better because of my beloved brother in law. Buck, I will always miss you. You will always be with us especially when we play cards and dominoes. I love and respect you and thank God for your Christian example. Love you. Judy and Gary too. j

Uncle Buck will be greatly missed by me and my entire family. What a strong man of faith and work ethic that will always be an enduring example of how to be a loving husband and provider. Fondest memory of Uncle Buck; him beating me in every game imaginable (spades, hearts, dominoes, washers, trash train, ladder golf, Wii bowling...) and always with a smile and a great heart.

Even though you were only 10 years older than me, you were one of my favorite uncles. I wish I could have been around you more in your later years. Rest in peace Uncle Buck.
