Loved your mom and "Nana". I told her she was "family" even though wasn't married to my brother anymore. She was a good mother. You should be very proud of her. She's with the Lord now. I'm praying for comfort peace for the family. Love ya'!!!

I have just learned of your loss! I am so very sad for your family. Your mother sounded like someone I would have just chatting & visiting about our Grandchildren. Thank you so much for sending the Obit. I do not think you ever mentioned your Mothers name. I do remember you mentioning different thing about her. May your loss turn to wonderful memories. Thining of you at this time, jane
