Russel J. I'm in shock still as I am sure many others are! My husband is one of the many men you helped. He is out of town for two weeks at work and asked me to send his highest regards and deepest sympathies to your family and all those who are grieving your loss. The loss is a big one. When people say "everyone is replaceable" they ain't never met Russel J!!! Thank you for always being willing. I remember how many times I reached out for guidance w H&I I'm grateful for your experience your strength but most of all your hope!
