Lew my prayers and love are with you, the children and family. Nettie is a special person, loved by everyone she knew. We grew up together, laughed and cried together and even got in a little trouble together with the mamma's and the papa's but it's not over because we'll be together again. I am so glad we got to spend more time together these last few years. I loved her like a sister and will miss her so much. Love Nanette
