Britt I didn't know that you were suffering and going thru so much. You were obviously a very strong person, such a good heart, always brought a smile to everyone's face! That's the kind of person you really were, selfless and truly amazed me. I love you and I pray you're with the Lord and at peace. In spirit, I know you'll continue to fill hearts with happiness. Thank you and thank God for your friendship and giving me the chance, the honor and pleasure of knowing you. Truly a huge part of my heart. Love and miss you. Love jess
