Jami Melinda Troutt, 51 years of age, passed away Wednesday July 26th, 2017. Jami was born August 18th, 1965 in Fort Worth, TX as God's gift to James and Charlene Judd. Jami was the oldest of three children.

Jami met the love of her life Randy Troutt in Amarillo, TX and they were married September 26th, 1985. Three children were born from their bless-filled union, which she devoted every moment and ounce of love to.

Jami had a true passion for helping others. She worked for the Mansfield School District for 15 years before retiring in 2014. She radiated positive energy and was always smiling. She loved Jesus, making people laugh, being active in local government, personal freedoms, horses, guns, hunting, reading, and spending time with her family.

She is survived by her loving husband Randy Troutt of Manfield TX, her children Clint Troutt of Arlington, Cody Troutt of Mansfield, Whitney Troutt of Aledo TX, her parents James and Charlene Judd of Red Oak TX, and her siblings Michael Judd of Grapevine TX, and Staci Mehl of Carlsbad, CA.

She was an amazing wife, mother and friend who always put everyone else's needs before her own. She will be dearly missed.

I feel very fortunate to have been neighbors for so long. I enjoyed raising our kids together and spending so much time together at birthday parties, soccer games and get togethers. You were a good friend and and neighbor. You will truly be missed. Pat Roetzel

Kami how you will be missed. We had some great laughs. You and me being pregnant at the same time with our first babies. The men in our lives is what brought us together and we became friends right off. We all setting around playing card game 31. This, you passing was nothing on our radars, how I regret not seeing you for far way to long. We just got caught up in our own daily routines thinking we would get together soon. Not ever thinking that tomorrow is never promised. Now all I have is memories of our younger lives. This is really hard to say goodbye and we will meet again. I can't believe you are gone, you were way to young. But, I do know you are much better off than all of us here. You get to go and do what you want, walk with ease, hell even run if you want to. No longer will you feel pain, have a walker in your hands, what a blessing that must be. Anyway friend, until we meet again. You will be truly missed. Love and hugs sent to you above. It's not goodbye, I will just say until we meet again.

I remeber the very first day I met you, cody brought me to the house and introduced me to you and you just had this AMAZING smile on your face and said "oh my gosh a girl, cody you brought a girl home finally". From there on you treated me as one of your own. You were like a mother to me. You always cooked this awesome food and you always made me eat it even if I didnt want to. You ALWAYS helped me pick on cody and always laughed at my cheesy jokes. I remeber going grocery shopping with you and you buying all this food for the family. I know you're in a happier place now and that you are looking down on everyone. Thank you for the impact you've had on my life. I will always miss you and love you. Thank you for blessing me with cody and the rest of your family. ❤️
