Latrece I've gotten so much joy out of seeing and hearing you light up when you talk about your dad. Now I look forward to seeing you honoring your dad's life and sacrifices in how you represent him as a wife, mother, daughter and friend. I know there's nothing I can say to ease the immediate pain but I want to remind you that trusting GOD is not a feeling but a choice. Cling to HIM and will keep you, strengthen you and grow you through this season.
