Lee Arthur Cooper

SEP 6, 1943 - MAY 12, 2018

Don't grieve for me, for now I'm free,
I'm following the path God laid for me.
I took his hand when I heard his call,
I turned my back and left it all.

I could not stay another day,
To laugh, to love, to work, to play.
Tasks left undone must stay that way,
I've found that peace at the close of the day.

If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss.

Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My Life's been full, I savoured much,
Good friends, good times, a loved one's touch,

Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your heart and share with me,
God wanted me now, He set me free.

I love you Uncle Sonny! I wish that I could have seen you or heard your voice but that was not in the cards. I know you would have been proud of the woman I became and you would have seen the life lessons you taught me manifested. You never got to meet your great nieces and nephew...you would have loved them and they would have loved you. I'm sure you are resting in the arms of Jesus and Mama Phil and smiling bright. Rest easy Uncle! Rest easy! Love you always!!!

Uncle Sonny I was trying to find the words to say, I know that God don't make no mistake, I wish you could have been around to see all your neices, Great neices and there children but God said TAKE YOU REST! I remember the times when you would have that Roadrunner ready to go . I remember growing up all of your neices and nephews knew that you were going to protect us from anything and anybody. All your neices felt like nobody was going to mess with us and if they did they had to deal with you. And of course we love you but God loves you best. I am going to go on with sweet memories of you and they will forever be in my Heart/I love you uncle ! Andre Durham-Clark
