Clinton Bufuku

FEB 6, 1972 - DEC 22, 2018

A fterglow

I'd like the memory of me to be a happy one.

I'd like to leave an afterglow of smiles when life is done.

I'd like to leave an echo whispering softly down the ways,

Of happy times and laughing times and bright and sunny days.

I'd like the tears of those who grieve, to dry before the sun;

Of happy memories that I leave when life is done.

Clinton left Zambia many years ago. But I remember when he got into Athletics we thought it wouldn't bring him this far. We were so proud of him. We pray for his wife and children that only the Lord will watch over them and bless them.

I last saw Clinton in December 1996 when visited his home Texts. It was fantastic reunion as he was the young Athlete who took over sprinting during his time at Mpelembe and Copperbelt area board. He was a fine gentleman his move to USA was a testimony of his outstanding performance in athletics. On behalf of the athletes I pass my sincere Condolences to the Bufuku family and all Kafumokache MHSRIP

My heart felt condolences to the Bufuku family! I am in total shock at the sudden sad news of Clint's passing. I met Clint over 20 years ago and remember him as the all American-NCAA 100 meters champion in 1995we both worked at Cutler hammer and Siemens respectively. He was a very witty fella who will be missed dearly by his family and friends. I pray to God to provide enough strength and peace that surpasses all understanding to his family to bear this profound grief. May his soul rest in eternal peace. R Juma
