Shirley FLen Labbe (Your Godmother)Veronica was a gem and kindred spirit. I meet Veronica when she came to Xavier University of Louisiana in 1971. She was a person who was easy to get along with, very outgoing personality and very friendly with anyone she crossed paths with. She always welcomed you in any friendly conversation and her laughter was contagious. I was honored when she and Kenneth asked me to be both of their children's godmother.Jason and Anita my prayers are with you and your family as you go through this difficult time. Remember that both of your parents were immensely proud of the both of you and all your many accomplishments. Veronica was a hardworking and dedicated mother. She will be missed and one major thing that both Veronica and Kenneth established for their children and grandchildren was the true meaning of family and will be treasured through the legacies they have left. Anita and Jason, I know this is a very painful time for you, but it will eventually get better. Enjoy the happy memories and hold them near and dear to your heart. I want you to remember that Leroy and I are here for you whenever you may need us. Love always, Your Godmother-Shirley Flen Labbe"Jesus, our Redeemer, Good Shepard of the sheep, you carry the lambs in your arms. I place myself in your loving care. Stop my pain, give me help and strength, and raise me up to a life of joy. Hear me , I pray, for your name sake , Amen."

Veronica has always been very soft spoken and a loving sister in law. The closeness and nurturing care she had with you, Anita and Jason and her grandchildren was unmatched. I will surely miss her presence and warm spirit. To Anita and Jason, you are the products of two loving parents who adored both of you. You have made both of them so very proud to have been your parents as you both are blessed to be their children. Your strength and faith will always comfort you.I know this is a difficult time for you but know that I love you and will do whatever I can to bring encouragement and support to you during this time. Love always, Aunt Beverly...
