Dana McCullough

SEP 15, 1963 - FEB 19, 2021

On the morning of February 19, 2021, God sent His angels to quietly whisper, “it’s time to come home”. Dana DeGerard McCullough transitioned and went from labor to reward to be with the master.

Dana was born September 15, 1963 in Galveston, Texas to Donald and Beverly McCullough.

He attended public schools in San Jose, California and later attended college and played football for San Francisco State College where he was also a member of Omega Psi Phi. Dana’s love for music led him to the Singspiration Choir, and later becoming a member of Glad Tidings COGIC in California. Dana also had numerous professional engagements around the country, including performing with Tramaine Hawkins and other celebrities. Dana was employed by American Airlines for over 24 years, working in Kansas, Miami and Dallas (DFW), where he was employed until his death. In 2017, Dana finally met the love of his life and married Vivian (Terrell) McCullough, his wife of only 3 years. Dana loved his family, had a passion for music, and unconditional love for God.

In addition to his wife Vivian, Dana is survived by his mother Beverly Wrenn, twin sister Donna Harris (both of San Jose California), sister Franzola “Kitty” (Vel) Sullivan, Las Vegas, Nevada. The first time I met you I thought you were a body guard while at Cassidy's. You invited me to hear you sing at the Holiday Inn in Arlington and that was the start of a wonderful friendship. I can still hear you sing "Miss Miss Jones" when my sister was with me since her last name was Jones. You had the voice of an angel and I am sure God is enjoying you singing to him now. You will be missed greatly. Wanda Pope

Sending my condolences and prayers of comfort to Dana's wife, family and friends. I met Dana while attending Independence High School in San Jose, CA. He was always kind and would share encouraging words whenever I would see him. I'll never forget the last time I saw Dana while living in Hayward, CA at which time he quickly gave me a hug and invited me to his church at the time, Glad Tidings. He also spoke with me about salvation. I'm thankful that God allowed us to cross paths.

Dana was my teammate and brother we had a lot of respect for one another. We had a little singing group together in high school. He had a great smile.

I met Dana in 2009 at The Flame, fell in love with his soulful voice, I nicknamed him "The Soul Man". Throughout the years we became good friends and then close friends. Dana was the kind of guy that everybody he met would eventually become his friend. He had that "signature smile" that would light up a room, and when he greeted you, it was with that smile. After his heart transplant and he was unable to drive, I would pick him up and we would go to Niki's. At closing time when we were leaving, I'd would say to Dana, "Hey D, let's go the limo's waiting" and most people actually thought we left in a limo, that was our joke for the evening. I told D, "we're leaving in style". You were given a second chance at life with a new heart and meeting the love of your life, Vivian, I saw how happy you 2 were together, only to end so suddenly just after 3 years. Anyway, Dana we had some great times and some great memories, you are one of a kind gentleman, there are not many that can live up to that, your life and your memory will live on through all the pics we have of you with all the Rawstinites, and the video's of you singing some of your most favorite songs. It's still surreal that you have left us, harder that I did not get to say good-bye, but perhaps, it was better this way. RIP my dear friend, gone but will never be forgotten. Love you brother, Joe and Marla Narviz.

I call Dana my hero because every time I was going to give up on my life literally, I always remembered his words to me..."if he could make it, I could make it"... Dana was my inspiration and now that I'm finally back to work and was looking forward to thanking him face to face...I can't. My heart broke when I found out of his passing but I know he's in the best place ever now and I will get to thank him someday, face to face. I love you hermano Dana. Siempre vivirás en mi corazón, gracias por tus consejos y palabras de aliento. Descansa en paz y goza tu vida nueva! ❤️❤️❤️
