Gwen as many know her by was a caring mother, grandmother, sister, and friend to everyone she met. Missionary Gwen was a dedicated, obedient, loving servant of the lord. She gave her all, with her family, friends and her nursing position at Gateways day care, plus being a missionary with Holly Tabernacle Church, where She served on hospital ministry, being a Sunday School Teacher. She was the organizer of several health fares. She will be missed by the church but our church will always be better because The Lord willed it. As for me, I am so grateful that She was my Friend who privileged me with sharing Her life and family with me.

There is so much I could say about Gwen I don't know where to start. We met in Sunday school class. I sat by her one Sunday morning and our friendship grew from there. She was a kind and loving person and a great friend. After back surgery she came to change my bandages nearly every day She loved God. Her family was a priority. I couldn't have found a better friend It won't be the same attending services without her. We sat together for over 17 yrs. I will. Never forget you.

I knew Ms. Gwen through Janice and she always spoke of her mother as a great woman of God! It was truly inspiring listening to Janice talk about her mother's faith. It truly blessed me at many times when I needed to have faith. Heaven has gained another wonderful soul.

I know Mrs. Gwen through my best friend, Janice. What a long road it has been for this amazing woman of GOD. Mrs. Gwen was such a very classy woman, always smiling, and always praising the Lord in the depths of her pain. Her journey taught me that no matter what we are going through, to keep GOD's name in our mouths because HE will bring us through it all, if we believe Him. She gave me so much insight on how we ought to treat one another. She used to send m&ms by Janice to our job for us to enjoy as we aimed to conquer our days. She was thoughtful and courageous. I know that she is at peace in so many ways right now. GOD bless her family and I pray that everyone heals peacefully.

Gwen was such a lady of faith. She never let her situation stop her from smiling. She believed God for direction in every area of her life. She fought a good fight and God has called her from labor to reward. Praying for all her family and friends to find peace and comfort in the Lord. Revelation 14:13 And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them.
