Reflections of a Beautiful Life

Tonji Alicia Wheatfall Lewis was born June 10, 1971, to her doting parents Alvin and Shirley Wheatfall in Austin, Texas. She spent her early years in Round Rock, Texas, and moved with her family to Arlington, Texas during the summer of 1980. Tonji attended Arlington public schools, graduating from James Martin High School in 1989. At Martin High Tonji excelled academically with honors, was a member of the Track team, and was the Trainer for the Volleyball Team.

Tonji attended Texas A&M University in College Station, Texas, where She was initiated into Eta Line, Xi Psi Chapter, Alpha Kappa Alpha Sorority Incorporated in 1991. After earning her Degree in Journalism in 1993, she began her career in Education with Fort Worth ISD, and later began working with Arlington ISD at her Alma Mater James Martin High School where she worked until her passing. Tonji was a dedicated Educator committed to each child who crossed her path. Her excellence as an educator was recognized by several honors. A few of her most treasured accomplishments were being nominated for James Martin High School teacher of the year 2 times and as a multiple recipient of the STAR award in which students in the top 2% of their class choose their most impactful teacher. She was also selected to be a participant in a leadership program through The Holdsworth Center. She loved her students.

She was enthusiastic about helping others. Quick to offer a word of encouragement to anyone who sought her out and someone you could count on to be there in the time of trouble. Love was the central component of her existence. She loved freely and completely.

Tonji married the love of her life, Jonathan Lewis on August 6, 1994. She and Jonathan are the proud parents of one daughter, Sarah Elizabeth Lewis. She was devoted to her family and cherished and cared for them diligently. She was a faithful member of Cornerstone Baptist Church, where she was involved in the following ministries: Sunday School Women's D, Women of Influence, Children's Ministry, and the Finance Ministry.

Tonja,You have always been one of the sweetest people I have ever met. You were not only a friend, neighbor, but, my soror. It is so hard to believe I just saw you 6 months ago with your beautiful smile. Although, you are gone from the earth far too soon. You have truly left a legacy of love, accomplishments, and positive sentiments in others. I will truly miss our FB messages that we shared referencing Sarah and Lance. Sara, your mother would light up through text messages telling me about all of your accomplishments and goals. Rest well in Heaven. Hug Mr. Alvin, my mom and dad for me.Love you always,Sonya Hicks- Houston, Texas

Jonathan, Sarah, and family, I am so sorry for your loss, as I reflect back on my time at A&M with Tonji I'm reminded of what a positive influence she had on me, she only put positivity in my life. It seems that she carried that forward and brought light to countless others. I pray you are comforted by all the good that Tonji brought to the world during her time here on earth. You were an amazing teacher, but most of all, a wonderful person to be around. Always there to correct our mistakes and guide us, you never faltered in your kindness and love for us. The time we had with you was too short-lived, and I'll never forget the wisdom, support, and respect you showed us as we matured and grew as people.

Due to unforeseen circumstances and time we drifted apart and I was not part of your wedding day. I often wondered if you befriended me just to fix me up with your brother, lol. I would giggle when I came to visit and your parents thought I was there to see Cedric. Regardless we did end up married and having two beautiful child. Children you treated and loved as if they were your very own! Love had blessed you with your very own daughter, Sarah. I never wondered why Sarah was the only child born to Jonathan and you. Shoot, my two, your brothers additional two, Joy and God knows how many countless children you adopted on the low, low clearly was not enough. Any normal person would have been settled, not you!!! Your heart was as big as the tallest peak. You touched so many lives and in death continue to touch more. I will miss you my bestie, sister, and angel in heaven. I know Al has already told you not to take any wooden nickels and welcomes you with his open arms. Never goodbye, until we meet again. Love always, Lynnette
