I worked for Charles back in the 80's. I speak of him often as being my favorite boss ever. I know that I probably gave him some of his gray hair back then. But he took it in stride. Annetta, Charles II & Alicia, my heart goes out to all of you. I haven't seen it talked to Charles in many years, but I thought a lot about him. Prayers for all of you. Charles knew me as Jennifer Gee.

I worked with Charles at El Chico. Fond memories of many lunches with all of us talking about our lives and families. We became a family ourselves in the 80s. Charles had the best laugh! Prayers to Annetta, Charles II and Alecia.
