My Grandfather was truly a loving, caring, respectful, and passionate man. You taught me so many things that I can carry with me throughout the rest of my days. I can't thank you enough for all you have done for the family, for me, my brothers, and my sister. Words are not enough to describe how much you truly meant to us. I will miss you dearly, Grandpa. I love you, and I will see you again soon.

Cousin Troy was truly a treasure to his California and Arizona Family! Words can not express the pain from the loss of Cousin Troy. As children we visited him and his family almost every summer and had the best time. Coming from California to Texas was the greatest time for us children to run and play and eat the best food in the world. We are all going to miss his laugh. Such a humble man. Love him and the family so much. Cousin Veronica (Vee) and Calif and Arizona Family
