Armod Rashard grandson we will miss your physical present and sad you are gone to soon. We remembered the first time you and Michelle came to California to visit you were about 2 or 3 years old. I took you shopping with my girl friend and we were gone all day and it was dark when we left the shopping mall. Your concern was that grandpa was going to be very mad that we were getting home and it was dark. I told you not to worry that we would make sure grandpa got something to eat. You will forever live in our hearts. Grandpa Charles & Grandma Estrene.
