I am writing today on behalf of my father Wayne Sutton, whom is the brother-in-law of Mrs. Richardson and my beloved aunt. My father spoke highly of all his memories today of Frierson street an there upbringing with my aunt, and mother. Growing up as neighbors, as well up and age they all cherished so many great memories together. He wanted to deeply express that she will truly be missed, and that he sends all his love and prayers.

I have known Mrs, Richardson for eight months. I am thankful for the God given opportunity to develop a close relationship with her. She was the kind of person who was very easy to talk to. She had a unique way of talking to people. I felt like I had known her forever I felt comfortable sharing things about myself that I wouldn't have normally shared with anybody. I completely trusted her. She said things that really made a diiference in my life. Mrs Richardson also had different parts to her beautiful personality. She could be very funny .I truly believe God brings his children together. I just hope that I have blessed her life as much as she blessed mine. She is one of a kind and I will miss her smile and happy personality.Stajoo S. Smith5127741198stajoo.smith@gmail.com
