Trevis DeJuan Bellard

MAR 4, 1991 - AUG 20, 2023

Trevis DeJuan Bellard was born on March 4, 1991, in Dallas, Texas to Patrick Joseph Bellard and Lorna Marie Bellard.

Trevis lived in Arlington, Texas and graduated from Timberview High School in Mansfield, Texas where he played football and was in theatre. He then went on to attend Texas Tech University in Lubbock, Texas, where he graduated with a Bachelor of Science Degree in Mass Communications with honors. He began working for American Airlines which enabled him to pursue his love for travel and adventure. Trevis's adventurous spirit led to his first big move to Los Angeles, California and then several years later moving to the "Big Apple"; New York City. Throughout the years Trevis has traveled to all four corners of the world and in between with family and friends.

When Trevis wasn't working or traveling his life evolved around art. He loved photography, being an artist, playing the harmonica but especially spending time with family and friends.

Trevis was preceded in death by his grandfather, Emile Peters, Jr.

Trevis is survived by his parents, Lorna and Patrick Bellard, and younger sister Raven Nicole Bellard. His grandmothers, Marie Peters, Gertie Bellard, Dannie (Nixnoy) Gomes and Virgie Bellard; grandfather Logan E. Gomes, Sr.

Trevis leaves in God's care to cherish his memory, a host of Aunts, Uncles, cousins, friends.

Trevis was one of the most kind and caring people I have met. It has been a long while since we spoke but I found this old picture of us from prom. The world will be a little more dim without his light. Sending love and hugs to all of his family and friends. May your ever lasting energy embrace your loved ones infinitely. ❤️🙏☀️

Patrick & Lorna, I would like to send my Deepest, Heartfelt Condolences, not just to the 2 of you, but to the entire Gomes & Bellard family. I try to find the words, but nothing comes to mind that would fit. When I look at Trevis pictures, I keep getting the thoughts of Stacy Espree speaking so kindly of him. You don't have to be old and wise, to realize that Kind, Courtesy, Loving children comes from Kind, Courtesy, Loving Parents. Which the two of you are and always have been. Stay strong and lean on each other for support. If you ever need, feel free to reach out to me. Billy D. Espree

I'll never forget your contagious smile on that rooftop on the same night your life was taken so senselessly. We talked briefly and connected instantly over life and its fragile volatility...it feels surreal now, the deep, meaningful thoughts were shared. I hope my words reached your heart on your last moments with us. It didn't take much to establish a genuine, joyous connection with your eyes sparkling joy. I'm grateful I got to cross your path. Rest in power, beautiful soul. My heart is heavy
