Lyndsey Captain Vicknair, aged 33, of Manor, Texas, passed away on June 15, 2024. Lyndsey was born on December 31, 1990, to Bobby and Lena Captain.

Lyndsey was a beloved wife, mother, daughter, sister, granddaughter and friend. She is survived by her husband of seven years, Kevin Vicknair, and their young children: Kenzi (7), Kairo (4), and Kya (1). She is also survived by her dear sister, Laura-Marie Captain, grandmother Maya Marie Captain and numerous cousins and close friends.

Lyndsey graduated from Mansfield High School in 2008 and earned her bachelor's degree in criminal justice from Prairie View A&M University in 2010. I look back, and remember you as the sweetest little girl. You were 6 to 7 years old and I was around 11 to 12. All of the kids on Hanscom Air Force Base at the time, shared in the fact that we were all kids of military mothers and fathers. Our moms and dads were close friends and your dad even took me out fishing. Each time I would visit your families home, your smile is one that I can remember would light up a room. The thing that struck me about you, even at such a young age was how thoughtful and sincere you were. I could see that you were a special soul. Your smile, I can still see today, as I close my eyes for brief moments. I pray strength and comfort for your husband and children and your sister, Laura and your mom and dad. With love, and sadness, I say. Fly, fly high Lyndsey. With Love, Joseph Agnew
