# Cassandra Anne Baskerville

SEP 2, 1993 - NOV 16, 2024

**C**assandra Anne Baskerville was born on the 2nd of September 1993, in South Dakota to David Baskerville and Marjorie Westcott. Cassandra passed away on the 16th of November 2024.

She is survived by her daughter Myia Grace Arnold, Father David Baskerville and Wife Tracy Baskerville, Mother Marjorie Westcott, 2 Brothers Curtis & Clayton Baskerville, and 3 stepsisters Amie Akinmade, Courtney Williams, and Jennifer Washington.

While in high school Cassandra (Cassie) was captain of the color guard team for Timerberview High School in Mansfield TX, where she won several awards for all her accomplishments. After high school Cassie went on to pursue her career in Dental Assistance where she earned her degree.

Cassie had a heart of gold and a laugh that brightened everyone's day. She was always willing to help anybody even at times when she was struggling, she always kept a smile on her face. All her friends and family can tell you how she has touched their hearts in so many ways. She was the friend and sister that would stay up late hours to talk, laugh and joke. It was never a dull moment with Cassie even though she was ALWAYS the late one lol!!!! Cassie leaves behind so many memories that we all were Very Blessed to be able to have cherished with her and with those we will be able to carry her on as one of us.

Rest in PEACE CASSIE BASKERVILLE. WE LOVE YOU AND ALWAYS WILL. "As long as we live, she too will Live, for she is now a part of us, as We remember her."

Cassie was one of the sweetest people I've ever known. She was one of a kind and she deserves true happiness and everlasting peace. My heart is broken that she is no longer here with us to bless us with her smiles, laughs, and overall positive energy. However my mind rests knowing she is happy in heaven sharing all the laughs and smiles with her previously lost family members and friends. Cassie was one of a kind she truly had a heart larger than anyone else's. I am grateful to have known her and I will never ever forget her. Her heart lives through me and I will let those who will come after her know her name. I love you Cassie, make the sky pretty for me. ❤️

I haven't seen you in years but the impression you left on me remains- you were kind and sweet and funny and a light in every room. You'll have no idea how much that meant to me back then. My heart hurts for your family and daughter. You will be so very missed and remembered and I'm so so incredibly sorry this is even happening. Rest in peace, beautiful.

Cassie, Going to miss giggling with you watching TikToks, your smile, and just chatting in general. You were always so warm and kind. Thanks for dressing up in Marissa costume - literally will always remember how funny that was. I will remember the joy on your face meeting my daughter after seeing me hobbling around pregnant for 9 months and your laugh. You had a great laugh. Will always remember and cherish - Marissa

Precious Cassie. I met you about two years ago and knew from that moment that you were a special friend. You were such a kind and beautiful soul, that was taken away from this world way too soon. That smile, that bubbly personality, that giggle...you will truly be missed and never forgotten. I pray for strength, peace, and comfort for sweet Mya and your family during this heartbreaking and tragic time. I will always love you sister. May you rest in peace my beautiful friend!
