Juanita Payton lit a candle in honor of Carolyn.

I remember Carolyn when we're students at Dillard University. I used to call her "lil bit". She always had a beautiful big smile on her face and always was friendly to everyone she met! The one thing that I remember about Carolyn was that she loved to play the card game called "spades"! Sometimes we will be partners. I was a newbie to the game but she taught me how to play the game! We both loved it when we beat our opponents! My prayers and deepest sympathy goes out to her family! May she always be forever in our hearts. Juanita Morris Payton Class of 78

Jan James lit a candle in honor of Carolyn.

Just learning of Carolyn's death. My sincere condolences to the Samms and Sumbler families. Carolyn and I were friends, while students at Dillard University. Carolyn and I would take the bus, on Saturdays, to visit her Mother, when she was a patient at Charity Hospital in New Orleans. She invited me to be in her wedding. However, I couldn't make the trip from Georgia at the time. As we grew older and went our separate ways, she remained in my heart because she was such a sweet person. RIP CAROLYN.

She was a great educator with a beautiful spirit. I remember her helping me when my 5 Year old daughter was having a rough time in school.

Carolyn was a beautiful cuz/friend. We were classmates growing up in Longleaf, La. She was a sweet person with a beautiful smile. I will never forget our friendship growing up. I enjoyed the visted with her at Dora's house in Glenmora, while visting my parents next door. As I share my tears falling, i know that your soul was right with God! And now you can take your rest. Your cousin Diane!

Our time together at Sheffield Primary holds a special place in my heart. So many wonderful memories. I can see Carolyn sitting in her chair reading to her students with such love in her heart. To the family, I share in your sadness. May you find peace and comfort during this challenging time.

Uncle Hubert, Braden, and Brakeyshia, know that you are loved, thought of, and prayed for during this difficult time! ☐☐ I loved, loved, loved my Auntie so very much. She was always such a special person to me; more than an Aunt. She played a major part in my life and in who I am today. The way she loved and cared for me, taught me how to love and care for my nieces and nephews. I was glad she got a chance to come and stay in my home because she always opened hers and welcomed me with open arms. I will be forever grateful. Her giving heart helped in the nurturing of my own. I will always cherish the times we spent and the wonderful memories I have with her, like being a flower girl in her wedding, summers in Texas, our trip to Disney World, and the big family gatherings she loved. I'll miss hearing her say my name so perfectly because she gave it to me herself. It was a blessing to be her niece; my mother's baby sister, my fellow Capricorn whose birthday was on the 5th of January and mine, the very next day. Rest in peace, Auntie, 'til we see you again. Love your niece, Tamika.
