TO MY SPECIAL AUNT LAVERN:I have memories that make me smile,Of a young niece who longed to be.By the side of an aunt who was so adored,The niece I speak of was me.You were the aunt filled with laughter and love,Who had such a wonderful way,And time spent with you was a special gift...Each day was a magical day!I can recall all the things you did,And the gentleness of you touch.You had a talent for letting me know,That you loved me ever so much.And the impact you had upon my life,Continues to this day still.I loved you then, I love you now,And always... yes, always, I will!P.S. Our last conversations are in myheart and will be forever cherished.

From: Julia Singleton Watson Lavern, I grew up calling her Tosie, my darling sister-cousin, whom I loved, and she was okay with that. As children we spent a lot of time together. Tosie and I talked and texted a few days before I got the sad news which broke my heart ❤️. Our last time we were together was at my house, Alfred, Tosie, and Beverly. Alfred talked some. Tosie, Beverly and I talked A LOT, cause we LOVE TO TALK. 😊 I had canned some jellies and preserves. Tosie and Beverly got what they wanted. That made my heart smile. The time passed so quickly. We were having such a good time. They had to get back on the road. We said our good-byes and hugged each other tightly. After getting back home, Tosie wrote me a letter ending it saying, " Take care, I love you." I loved her dearly, we love family. She will always have a special place in my heart. She had a loving, kind spirit and ooh that smile of hers!! As much as we loved her, God loves her the most. She is resting now ❤️.

We are saddened to her of our classmate's transition! She was not only our classmate but our fellow band member. Lavern always wore a quiet smile. She and Alfred attended our class reunions. We were always happy to see them. I contacted her to let her know at the time that we didn't live far from her daughter and could meet for lunch. We never did. Let's stop putting things off. She will be sorely missed. Alfred, we speak for the class of 1973. You are welcome to attend any events that we have. We pray continuously for you, your daughters and entire family! 🙏🙏🙏 Lillie and Tyrone Stanford. Garland, TX

Al, there is nothing we can say to make this less painful; we were so shocked when you told us what had happened. Nothing seems to make sense during times like these, we feel so bad for you, your Daughter's and Grandchildren having to go through this so unexpectedly. Lavern was such a sweetheart and will be greatly missed by many, she will live on in our hearts and many others. We are so grateful that we were able to get together and spend time with you guy's last July, it will be forever in our memories. A great person who left us too soon, but will continue to live on in our memories of the good times and the bad! I will be honest; this was painful to write, it hurts so bad that life is so cruel! In Loving Memory of Lavernel am deeply saddened by the passing of my dear sorority sister, college suite mate, and friend, Laverne. Though I graduated from high school and college a year before her, it always felt as if we walked that journey together. Laverne was wise beyond her years—a compassionate soul, a great friend, and an even better listener.I am grateful that I had the chance to see her just over a month ago, and I cherish the many years we kept in touch. She was the epitome of grace, kindness, and intelligence—always easy to love, always filled with warmth and empathy for others.Laverne will always be remembered as our sweet Ms. Tougaloo Queen, a title she carried not just in name but in spirit. Now, she takes her well-deserved rest, continuing to wear her crown in eternity.Rest well, my friend. You will be deeply missed, but your light will forever shine in our hearts.With love and gratitude,Mary Clayton Ford (Cooper)

Losing a best friend is heartbroken. Now I'm leaning on the beautiful memories, the laughter, and the moments that made our friendship special. Rosa Holliday Family, it's with a heavy heart that I share in memory of my sweet cousin. I will miss her texts that she would send to check on me. We grew up together, attended and graduated from Velma Jackson HS class of 1973! We had just talked about our Michigan reunion this summer. We will truly miss her! She is rejoicing with our Lord. I thank Him for sharing her with me, not only as a friend and classmates but as my cousin! We loved each other! Rosa Holliday

Laverne and I graduated in the class of 1973 Velma Jackson High School in Camden, MS. Laverne was very active and energetic. She and her husband would attend the class reunion. We always had a great time whenever the class got together. We were looking forward to our gathering this year in MI, but God had other plans. Laverne will be missed. RIP classmate. My first memory did not go through. Lavern was a good friend that time nor miles could separate. Lavern began walking the neighborhood and I would often times see her leaning against a light post or sign. I stopped in my golf cart one day and offered her a ride home. I told her that if she ever got tired give me a call and I would come and get her if I could. That was the beginning of a good friendship and many stories. God Bless you and your family!

A Tribute to My Godmother, LavernSome people come into our lives and leave an imprint so deep that no distance or time can fade it. My godmother, Lavern, was one of those rare and beautiful souls. Though we lived in different states, the miles between us never lessened the love and connection we shared. Through every phone call, every word of wisdom, and every moment of laughter, she made sure I always felt her presence in my life. For years, our voices bridged the distance, and finally, last year, we met in person —a moment I will forever cherish. Seeing her smile, feeling her warmth, and sharing that time together was a gift I will hold in my heart always. Today, I celebrate her life with gratitude. For every conversation, every memory, and every lesson she left behind, I am forever thankful. Rest peacefully, my dear godmother. You are deeply loved and will always be missed.
