Adrian was truly one of the best people I ever served with in the Air Force. He had this rare gift of lighting up any room the moment he walked in, always with a smile and an unshakable positive attitude. No matter what was thrown at him, he kept pushing himself to be better, always chasing the next challenge with relentless drive. Saying goodbye to him hurts more than I can put into words. He leaves behind an enormous void, and he will be deeply missed by me and by everyone lucky enough to have known him

DB was in my squadron and was my battle buddy/NCO during our deployment to Manas. He always had a positive attitude and absolutely loved life. He always made me laugh and was so much fun ❤️ Rest in Paradise brother and I will see you later!
